TOP NOTES

Sean Malone scored a power-play goal, his 10th of the season, in his return to the lineup tonight after missing the last 30 games due to injury/COVID. He became the eighth different Amerk this season to reach the 10-goal mark.

He's now scored 10 or more goals in three of his last four seasons with the Amerks dating back to the 2017-18 campaign.

With two assists tonight, **Arttu Ruotsalainen** now has 30 points (12+18) in his last 29 games since the turn of the New Year.

It was also his ninth multi-point outing over that same span, including his fourth in five games.

Ethan Prow moved into fourth in scoring among all defensemen with an assist, giving him 16 points (5+11) over his last 20 games.

After tonight, he's now just seven assists away from matching his pro career-high of 32 he recorded during the 2018-19 season.

Ben Holmstrom appeared in his 600th American Hockey League game tonight.

The veteran forward has played in every game with Rochester since joining the team on a professional tryout back on Feb. 8.
