### TOP NOTES

**Ryan MacInnis** recorded an assist in his return to the lineup tonight after missing the last 22 games due to injury.

**Sean Malone**, who also returned from injury, scored twice to extend his point streak to four games while also recording his second multi-goal effort of the season. After tonight, Malone has 15 points (10+5) over his last 11 games as well as five (4+1) points in his last five.

**Oskari Laaksonen** recorded his team-leading 20th power-play assist on Rochester's first goal of the game.

His 20 assists on the man-advantage rank second-most among all AHL defensemen, trailing only Ontario's Jordan Spence in that category.

With an assist tonight, **Ethan Prow** has four assists in his last five games to remain fifth in scoring amongst all blueliners.

With 37 points on the season, he remains on pace to reach the 40-point mark for the second time in three AHL seasons.

Tonight was the third time in four games and the 15th game overall this season the Amerks played beyond regulation. Rochester is 6-4 in overtime and 2-3 in the shootout following tonight's shootout loss.

Despite the loss, the Amerks have points in each of their last five games for the third time this season, including three straight on home ice.
