TOP NOTES

Mason Jobst scored his first career hat trick, including back-to-back goals in the second period. In doing so, he set a new career-high with six goals on the season.

Anders Bjork and **Michael Mersch** each recorded three assists to extend their current point streaks to four and three games, respectively.

Mersch now has 11 points (6+5) over his last eight games and has been held scoreless just once over that span. With a point in four straight games, it's Bjork's longest point streak in the AHL since the 2018-19 campaign.

Lawrence Pilut recorded his second multi-assist effort in three games, giving him four assists over that span.

With an assist tonight, **Linus Weissbach** moved into second on the team in scoring with 26 points (13+13) in 33 games. He shows seven points (3+4) in his last seven games and 15 points (7+8) over his last 18. Tonight was also Weissbach's 100th pro game.

Jiri Kulich scored his first goal since returning from the 2023 IIHF World Junior Championship and first since Dec. 16 against Charlotte.

Malcolm Subban saw his career-best seven-game win streak halted despite making 26 saves. It was the longest win streak by an Amerks netminder since Jonas Johansson won nine straight during the 2019-20 campaign.
